FOR IMMEDIATE RELEASE

Dec. 10, 2007

Ramp and lanes at Borman/I-65 interchange closed during construction

Restrictions scheduled for midnight to 5 a.m. Dec. 12

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces the ramp from northbound I-65 to westbound I-80/94 (the Frank Borman Expressway) will be closed from midnight to 5 a.m. Dec. 12 during barrier wall repair. A posted detour will direct traffic I-65 traffic to take eastbound I-80/94 to the clover leaf ramps at State Road 51 (Ripley Street) to I-80/94 west.

Also, the right and center lanes of northbound I-65 near the ramp entrance will be closed from midnight to 5 a.m. Dec. 12 during the repair work.

This work is part of the Major Moves New Construction interchange improvement project at Interstate 65 and Interstate 80/94 (the Frank Borman Expressway). INDOT reminds drivers to use caution and consider worker safety when traveling through a highway construction zone.

Major Moves fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
